ICoTA Argentina Well Intervention Workshop
Completion Technologies for Conventional / Unconventional Multifrac Horizontal Wells

Hotel Hilton, Neuquén, Argentina 18 November 2026

ICoTA
Intervention & Coiled Tubing Association

Call for Abstracts - Deadline September 25, 2026

BOOK YOUR SPOT

We are pleased to invite you once again to the ICoTA Latin America Workshop, which will be held on November 18 in Neuquén, Argentina.

This event is designed for operators and service companies involved in the well intervention industry and provides a platform for discussing operational experiences and lessons learned in well intervention and well completion. The workshop aims to foster collaboration among companies, address current industry challenges, and provide solutions through the exchange of technical knowledge.

The agenda will feature technical presentations highlighting experiences from both the United States and Argentina, covering technologies for both conventional and unconventional wells.
